CBC Factory – City of Montenegro, Brazil

The Rossi revolution of firearm design and manufacture started with the founding of the company in 1889 by Amadeo Rossi. Over the last 134 years, that tradition has grown along with the company and the Rossi Family. The Rossi name represents a piece of firearm history and a tradition of excellence.

Over the years, Rossi firearms have led the way in design and engineering. At the same time, it has always been important to produce an affordable product without sacrificing any quality or accuracy. The brand's extensive range of products includes a variety of models: Lever Action, Semi-Auto, Bolt Action, Break Action and Pump Action – in Shotgun, Rimfire and Centerfire.

Since 2017, Rossi firearms are being designed, produced, and exported by CBC, in Brazil.

R95

The R95 brings to the Rossi family a lever-action rifle chambered in 30-30 caliber. It combines a traditional German beech hardwood stock with blued finish to deliver a big-bore rifle suitable for the backwoods or the back forty. Adjustable rear buckhorn sight, 16.5” (Trapper model) or 20” (Classic model) barrel lengths, cross-bolt safety, an elegant classic wood profile, and an exquisitely smooth-cycling action prove that contemporary engineering can pair seamlessly with time-honored craftsmanship and design.

NEW PRODUCT

PUMA CLASSIC

No rifle does classic American styling and swift, light handling like Rossi’s legendary Puma. Built on the proven model 92 lever action, the Rossi Puma combines a traditional German beech hardwood stock with blued or stainless-steel finish to deliver a big-bore rifle suitable for the backwoods or the back forty. Adjustable rear buckhorn sight, an elegant classic wood profile, and an exquisitely smooth-cycling action prove that present-day engineering can integrate with time-honored design.

BLACK FINISH

STAINLESS STEEL FINISH

PUMA GOLD

Boasting classic western styling with a flair, the Puma Gold rifles showcase a premium German beech hardwood forearm and stock with a traditional crescent buttplate. Gold finish barrel bands, hammer, trigger, lever and buttplate provide an elegant accent to the polished black receiver, barrel, and magazine tube finish.

PUMA TRIPLE BLACK

An ideal truck or saddle rifle, the 16-inch Puma Triple Black carbine is designed to resist the worst of elements. The stock and forend are wood painted with a durable all-weather black on black splatter paint. All metal parts are coated with black Cerakote finish for extreme durability. The rifle comes with a Picatinny rail to accommodate an optic and includes an adjustable rear peep sight for opensight shooting. The Puma Triple Black comes standard with a threaded barrel, giving shooters the option for a suppressor or muzzle brake.

PUMA LAMINATED

This Puma model showcases your choice between a beautiful gray laminate or premium German beech hardwood stock and forearm in addition to a functional, large loop lever. The large loop will make cycling much easier while wearing gloves out in the field. Adjustable ghost ring or buckhorn sight, an elegant classic profile, and an exquisitely smooth-cycling action proves that contemporary engineering can pair seamlessly with time-honored craftsmanship creating a rifle that looks as good as it performs.

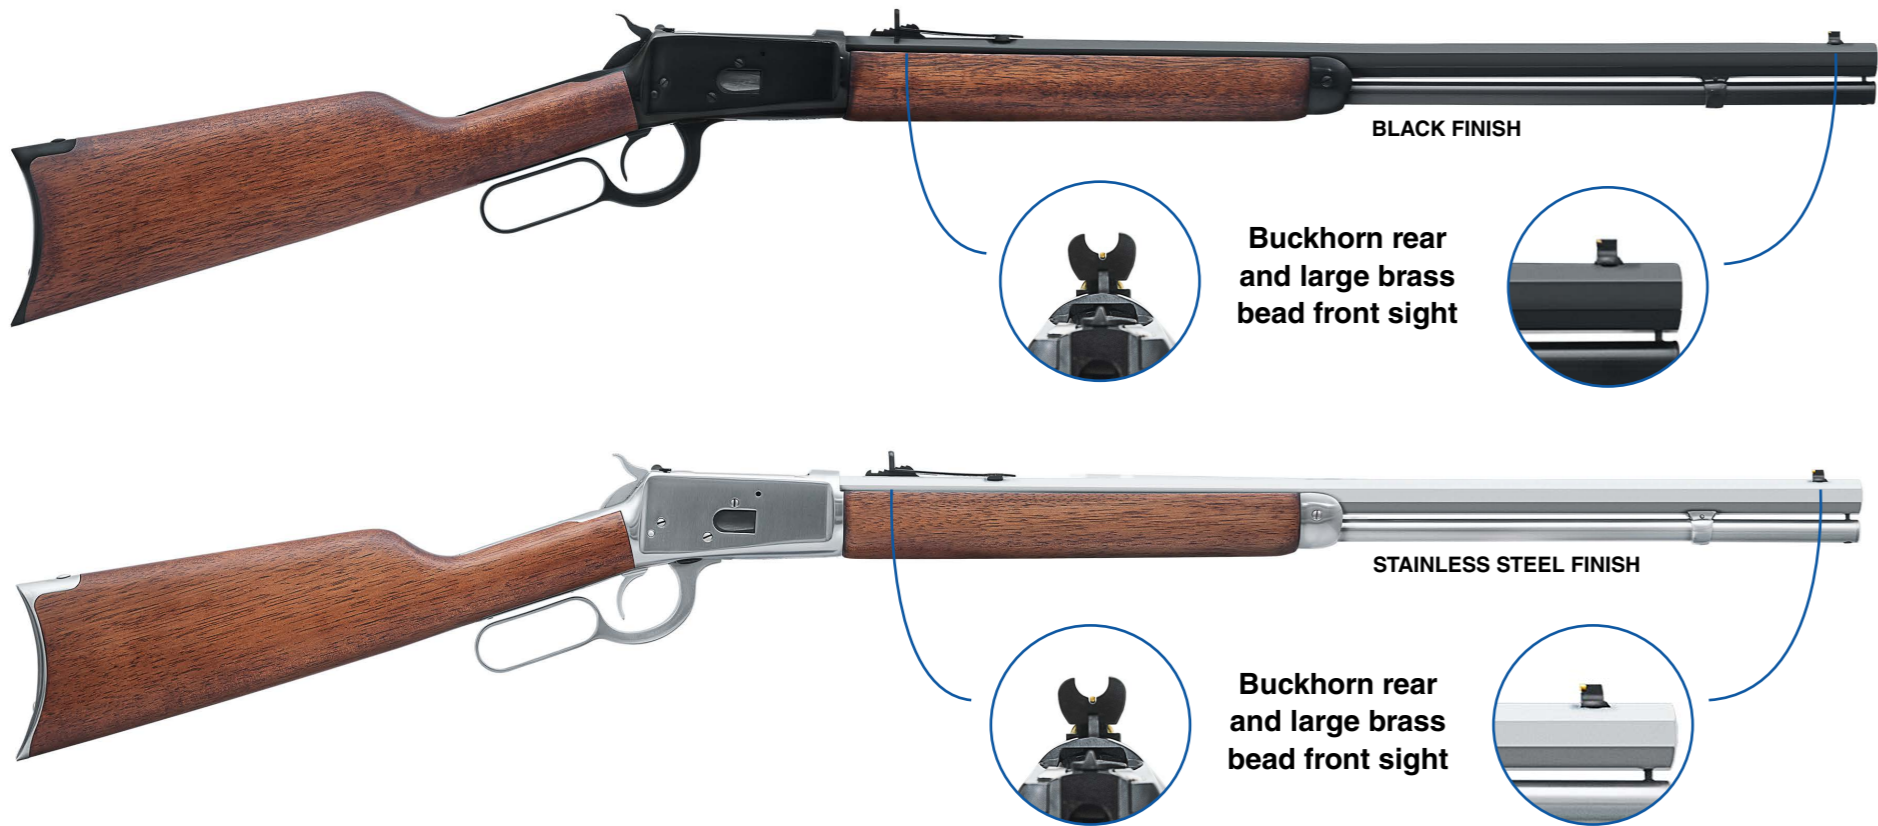

TECHNICAL INFORMATION

| Sights | Peep Sight and large brass bead front sight |
| Picatinny Rail | Included |
| Features | Medium Loop Lever with Leather Strap |

PUMA OCTAGONAL

With a nod to historical lever-action design, this Puma features a classic octagonal barrel profile for improved accuracy and balance. The warm German beech hardwood furniture compliments the rifle's polished black or stainless finish from the muzzle to the buttplate. A traditional adjustable rear buckhorn sight rounds-out the heritage motif.
